A. Introduction

Purpose

Pursuant to the citizen participation requirements of 24 CFR Section 91.105 and 24 CFR Part 5, the City of New Rochelle (referred to as the “City”) sets forth the following amended Citizen Participation Plan (the “Plan”) as it relates to the administration of the Community Planning and Development (CPD) programs funded by the U.S. Department of Housing and Urban Development (HUD). The Plan presents the City’s plan for providing for and encouraging all citizens to participate in the development, revision, amendment, adoption, and implementation of:

- 1) The Citizen Participation Plan
- 2) The Assessment of Fair Housing (AFH)
- 3) The Consolidated Plan (ConPlan)
- 4) The Annual Action Plan (AAP)
- 5) The Consolidated Annual Performance and Evaluation Report (CAPER), and
- 6) The Section 108 Loan Guarantee Program

Lead Agency

The Department of Development is the lead agency responsible for the administration of the Community Development Block Grant Program (CDBG) and HOME Investment Partnerships Programs.

Effective Date

Subsequent to approval of this amended Citizen Participation Plan by City Council and HUD, the Plan shall be effective until it is amended or otherwise replaced.

B. Encouragement of Citizen Participation

General

The City provides for and encourages citizens to participate in the development, revision, amendment, adoption and implementation of the Citizen Participation Plan, the Assessment of Fair Housing, the Consolidated Plan, the Annual Action Plan, and the CAPER. The City encourages participation by low- and moderate-income persons, particularly those living in areas designated as revitalization areas or in slum and blighted areas and in areas where HUD funds are proposed to be

used, and by residents of predominantly low- and moderate- income neighborhoods. With respect to the public participation initiatives included in this Plan, the City will take appropriate actions to encourage the participation of all its citizens, including minorities, non-English speaking persons, and persons with disabilities, as described below.

Non-English Speakers

The City has determined that, based on 2010-2015 American Community Survey data, 11.87 percent of residents are native Spanish-speakers who speak English less than very well. All other languages include less than 1 percent of residents who speak English less than very well.

To encourage these residents to participate in the development of the Assessment of Fair Housing and the Consolidated Plan, the City will undertake the following initiatives in addition to publishing advertisements in the Journal News for these activities:

- At least one stakeholder interview or focus group session will be scheduled during the stakeholder consultation processes for each and will focus on persons with limited English proficiency, and
- The City will provide a Spanish version of meeting agendas, handouts and surveys at meetings and stakeholder interviews conducted for each planning process.

Persons with Disabilities

To encourage the participation of persons with disabilities, the City will continue to include the following language in all public meeting notices published in the Journal News:

The City of New Rochelle will make reasonable accommodations and services necessary for sensory-impaired and disabled citizens at the public meeting. Additionally, translation services may be offered upon request and availability. Persons requiring such accommodations/services should contact the City at least five working days in advance of the meeting.

The City will conduct all public meetings in locations that are handicapped-accessible, when available.

If requested, the City will mail copies of public meeting notices to persons who are homebound and request such accommodation no less than seven days prior to the public meeting.

Low- and Moderate-Income Persons

The City will conduct at least one public meeting in a neighborhood that contains at least 51% low- and moderate-income residents, based on current HUD data, during the development of the Assessment of Fair Housing, the Consolidated Plan, and the Annual Action Plan.

Organizations and Agencies

The City encourages the participation of local and regional institutions, the Continuum of Care, businesses, developers, nonprofit organizations, philanthropic organizations, and community-based and faith-based organizations in the process of developing, revising, amending, adopting and

implementing all documents covered by this Plan. This will be achieved through stakeholder interviews, focus groups and/or public meetings.

Local Public Housing Authority

The City encourages, in consultation with the New Rochelle Municipal Housing Authority (NRMHA), the participation of residents of any public housing developments located within the City, in the process of developing, revising, amending, adopting and implementing the documents covered by this Plan. The City will provide information to the executive director of NRMHA about the Assessment of Fair Housing, its affirmatively furthering fair housing strategy, and Consolidated Plan activities related to the public housing developments and communities so that NRMHA can make this information available at the annual public hearings required for its Public Housing Authority Agency Plan.

The City encourages participation by resident advisory boards and resident councils of NRMHA. This will be carried out by providing to NRMHA information on public meetings, surveys and other outreach initiatives related to the documents covered by this Plan.

Public Notices

Public review/comment periods and public hearings held in the process of developing, revising, amending, adopting and implementing the documents covered by this Plan shall be advertised in the Journal News no less than seven days before the public hearing is held.

Public Hearings

All public hearings will be scheduled at times and locations that are convenient for potential and actual program beneficiaries, and with accommodation for persons with disabilities and non-English Spanish speakers in accordance with this Plan.

In the Event of an Emergency Declaration

In the event of a local, state or federally declared disaster or emergency where public places may be closed to the public or in-person participation may not be feasible or large gatherings may be considered a public health risk, the City of New Rochelle may opt to conduct public hearings and meetings virtually via conference call or live web-streaming with the ability to ask questions and provide comment in real time. Accommodations will be made for persons with disabilities and non-English speaking persons upon request, such as sign language or language interpretation services.

Documents for public review will be shared via the City's website. Copies of the document will be mailed or e-mailed upon request.

Technical Assistance

City CDBG/HOME staff are available to assist organizations and other eligible individuals that are interested in submitting a proposal to obtain funding through the CDBG/HOME programs. All potential applicants are strongly encouraged to contact the Department of Development for technical assistance before initiating a funding request application.

Online Access

The City will post draft copies and final copies of all documents covered by this Plan on its website accessible <http://www.newrochelleny.com/314/Housing-and-Community-Development>

Other Engagement Techniques

The Plan may be amended as the City continues to gain access to technology that improves the avenues of participation by its residents.
