## City of New Rochelle New York

April 4, 2014

To those parking in the Intermodal Transit Center Garage:

The City of New Rochelle will be remobilizing the construction work on the Garage on Monday, April 7, 2014. Although construction staging will impact parking at the Garage, the City will do the best possible to alleviate any impact on you.

However, please allow extra time as there will be a loss of available spaces. As before, the City is offering free parking for Transit Center Garage permit holders on the 4<sup>th</sup> and 5<sup>th</sup> levels only of the New Roc City Garage at LeCount Place & Huguenot Street during the construction period for those who wish to utilize that Garage.

The City will continue to notify you as the construction proceeds.

Should you have any additional questions or concerns, please contact our Parking Specialist & Customer Service Representative, Rebeca Guerrero, at (914) 654 2186 or by email at [parking@newrochelleny.com](mailto:parking@newrochelleny.com).

Thank you for your patience!
